

I Scream,
You Scream,
We all Scream for
BF Ice Cream!!

TCM's ice cream "flavorologists" have been hard at work creating a special ice cream flavor for Bedford Farms.

The children voted and graphed the base flavor....chocolate won!

Then they brainstormed a list of mix-ins and voted and graphed their favorites...mint oreos and M&M's won!

Then they voted on the perfect name for their ice cream flavor.....

Meetinghouse Minty Mix !

The children had fun setting up their own TCM Ice Cream Shoppe. There were Scoopers, Cashiers and Customers. The Shoppe did a BOOMING Business!

After we chose our base flavor and mix-ins, Jack , Ava and their Dad, Dave, came in to show us how our ice cream would be made.
It was SO exciting!

THANK YOU, BEDFORD FARMS !
From the children and families of The Children's Meetinghouse!
